Hi Fred,  
 Finally got your e-mail address in my computer.  
 There is just one renewal this time. I was hoping for more. Renewal is for  
 KI7RD for one year.  
 Had a couple of things done the past couple months. Had what they call  
 cardioverter/defibrilator installed. Also known as pacemaker. That caused  
 me to have shortness of breath. To fix that they did whats called  
 ablation. Thats when the cardiologist goes into the heart witha probe and  
 killsthe electrical pulses that are not in synk with rest of the heart  
 pulses. Sure made a differance.  
 Next project is to kill the pain in my back.  
 Enough of that . 73 Joe (From our Treasurer, K7NLM—good to hear from Joe-ed)

3 FROM THE KLAMATH BASIN SENIOR CITIZENS COUNCIL—LEE CRUTCHFIELD—  
A FEW THOUGHTS: 1. On the other hand, you have different fingers. 2.  
99 percent of lawyers give the rest a bad name. 3 He who laughs last  
thinks slowest. 4. The early bird may get the worm, but he second  
mouse gets the cheese in the trap. 5 A clear conscience is usually the  
sign of a bad memory. 6. When everything is coming your way, you're in  
the wrong lane. 7. What happens if you are scared half to death,  
twice? 8. Inside every older person is a younger person wondering,  
"What the heck happened?" (tnx KBSCC for letting us use this material)

ON THE MEND Warren, N7IPG, from Keno had a tumor removed in the  
Klamath Falls Hospital in January. We are happy to report that Warren  
went home on January 24, with a clean bill of health. We hope to see  
Warren back to his old self real soon. (ed)

Pictured at the right, front yard  
Of your editor, ND7V. This was  
taken on Feb. 4, 2008. This  
may be the most snow I have seen  
fall in Febuary in my lifetime,  
but I do remember a heavy snow  
fall in 1949, when we had to  
tunnel into the chicken houses  
when I lived in Bonanza, or. My  
dad had a poultry farm there. (ed)

WHO WAS THE FIRST GOVENOR OF NEW YORK STATE? It was a Clinton; George  
Clinton. He was known as the father of New York State. He went on to  
serve as vice president for two presidents; Jefferson, and then  
Madison. (ed)

ON THE MEND: Swede, KA7QYY, from Gold Hill, was involved in an  
automobile accident in January that put him in the hospital in Klamath  
Falls for a few days. According to Ben, N7RBI, after Swede went home  
from the hospital in Klamath Falls, he had to go to a hospital in the  
Medford area. We wish Swede a swift recovery, and that he is well and  
back on the net long before this NETTER goes to press. (ed)

DON'T FORGET TO VOTE: LET LIBERTY RING, AND YOUR VOICE BE HEARD.

FROM THE LISTENING EAR: Karen, N7RBO, and Kern, W7BXD, have been  
mobile in Az. For the past couple of months. Karen has been a big help  
with relays with the bands so crummy. Even W7YVT, Jim has been fading  
away into the sunset, and he has one of the best signals on the net.  
K7DDI our net manager has been doing a good job for Karen while she has  
been gone. Dick went to the ham fest in Salem in Feb. but he said he  
did not buy anything.

4 HAPPY BIRTHDAY TO JIM, W7YVT. On Feb. 23, Jim turned 83 years young! Congratulations Jim, and may the next 83 be better than the first 83!!---ELECTIONS:-----

The elections will be open for nominations on March 18th at 5:55 pm right before 1st net. Positions open are the Portland area held by K7MKN and the Southern area held by N7IPG. If they are other nominees, the results will be announced at the end of March. That should give everyone enough time to get their ballots in, either by snail mail or e-mail and they have to be sent to N7RBO the Net Manager. 73's Karen
