THE OREGON EMERGENCY MEETS ON OR ABOUT 3980. We all need to remember that net control determines the net frequency. I have heard folks advise the net control he was not on frequency. Net control is ALWAYS on frequency if he is on or about 3980. (ed)

I welcome KF7RBM, John Jones from Harrisburg, to the rolls of OEN membership. His certificate is # 1308 issued on July 4th, 2013 Dennis AG7K. (Net manager)

Today is July 4 Independence day. I pause to remember all those who gave their lives to keep this country free. I think of all those out there in our military who continue to put their lives on the line so we can be free. I thank all those who serve, have served, and will serve this great country of ours. Despite our flaws, I think we remain the greatest society on earth, we are free to choose our faith, we can express our opinion with out fear of being put behind bars. As Americans, we have so much to be thankful for. We have it because of those who were willing to fight to save this county. I am proud to be an American from the United States of America.

On another subject: I have been doing some camping this summer. From the camp grounds of La Pine to Lake Lofton near Bly, and on up to a camp ground on Timothy Lake, near Mr. Hood. In all these places, usually using 50 watts, I have been able to check into the O.E.N, mobile, on the Hustler antenna system. I hope to be checking in from other camp sight this summer. It has finally warmed up a bit, 103 here in Klamath Falls recently,

(2) Most of the ice that was in my bones from last winter has melted, now I can camp and enjoy it. (ed)

JULY 5, 2013----HAPPY BIRTHDAY RUTH!! Today our own Ruth Schorr, K7RFO, from Klamath Falls celebrated a birth day! Happy birthday Ruth!. What a blessing Ruth has been, and continues to be, to our net! She is the net control on the first net on Tuesday night, and often fills in as net control on other nights when the scheduled net control can not be there. She is a member of the board of directors for the O.E.N.. She has one of the best signals out of Klamath Falls, and almost every night you will hear Ruth relaying in some one that the rest of us does not even hear. Beyond all that, Ruth is just a great person to know. She has the same aches and pains that the rest of us older people do, but even when she is hurting, she always has kind word to encourage others, and a wide smile on her face for everybody to see. God bless you Ruth for all you do, I am so fortunate to be able to know you. (ed)

HAPPY BIRTHDAY TO DICK, K7DDI, 91 IN AUG.!!

INFORMATION TAKEN FROM O.E.N. WEBPAGE

BOB IS AN ACTIVE MEMBER OF THE "OLD TIME FIDDLERS". SOMETIMES HE CAN BE HEARD PLAYING WITH THAT GROUP AT THE SENIOR CENTER IN KLAMATH FALLS. (ed)

Bob Dorsey, KC7ODE, he checks in regularly from Klamath Falls. This picture was taken at the K-BAR-A picnic at Moore Park, in Klamath Falls Oregon, on July 13. There were 30-35 people there I think. It was a potluck, and the radio club provided hamburgers and hot dogs. Every one had a good time, even Daisy. KK7VO's dog. Daisy seemed to like every body. Elizabeth has been bringing her dog to this event for many years now. (ed)

CONGRATS TO THE FOLLOWING NEW MEMBERS: KF7RBM, JOHN FROM HARRISBURG, JULY 4 NO. 1308. K7SJA, STEVE FROM HILLSBORO #1309 AUG. 9

5. HAMMING AND FISHING AT DIAMOND LAKE In July I spent 3 days at or near Diamond Lake fishing. I checked into the O.E.N. every night from there, some times I was relayed in. The fishing was not good, but I did catch a 12 inch trout at a near by lake. Diamond Lake Resort has a store and a gas station. It has most of those last minute items you forget, waiting on their shelves. I bought a roll (1) of paper towels for 3 dollars. Gasoline is about 5 dollars a gallon, or was when I was there in July. We stayed in a forest service campground, and it was nice, the spots were large, and the mosquitoes were not too bad. If I go again next year, I will try to remember to bring enough paper towels, and lots of extra gasoline. Connie and I enjoyed our stay there. (ed)

SILENT KEY REPORT: Aug. 1, Dennis, net manager, reported that AH2CS, Ed Hadley, from Keno passed away in May. Warren, N7IPG, had passed this information to Dennis. Ed held O.E.N. certificate no.1131. We will all miss Ed, and our thoughts are with his family.

PICTURED HERE IS RICK MAXLEY, AA5TL, FROM BEND. HE WAS JOINED BY HIS LOVELY WIFE KA5ZLQ, JACKIE, AT THE O.E.N. PICNIC. RICK WAS OUR FUND RAISER AT THE PICNIC, HE RAFFED OFF TICKETS FOR THE ITEMS THE CLUB HAD FOR RAFFEL. HE HELPED RAISE THE MONEY FOR THE POTTY FUND. THE O.E.N. TOOK HOME 700 DOLLARS FROM THE FOLKS AT THE PICNIC. THANKS RICK FOR A GREAT JOB!!

We brought in 700 dollars at the O.E.N. picnic this Year. Three hundred was donated by the folks to pay for two port-a pots, one for the young Ladies and one for the old gray haired men.

Four hundred was brought in by raffling off Items Ruth K7RFO'S, daughter, Lynda Baker, made. She donated them to the group. She made some lovely wall hangers. There were two large fish wall hangers, that were just outstanding. All of it was well crafted, even the decorated handbags she made for the event. Thank you for those charming items, and for all the work you put into them Lynda! We sure appreciated them.

Ruth donated and gave away 35 nice warm, and very much appreciated, blankets she made up for the group. Those who did not get a blanket from Ruth earlier got one this time, and there was a drawing for those that were left. Thank you so much Ruth, for those blankets, everyone there just loved those beautiful blankets K7RFO made.

For those of you who did not make the picnic this year, you missed a lot of fun. 76 folks were there. Bob and Carol (N7HEH) just did a glorious job of making everyone feel right at home. The whole back yard was full of campers, and the weather could not have been better. If you missed it this year, better put it on your calendar for next year. Same time, same place, at Carol's in Yachats. (ed)

AL, KK7XO, ONE OF THE WINNERS AT THE PICNIC.
