O.E.N. PICNIC AUG.17, 2014: (these are not the official minutes) signed in, 62 folks. Thanks again, N7HEH Carol, and Bob for another wonderful picnic! Thanks to Lynda Baker, for the 27 beautiful handbags she made up for us to raffle off at the picnic. That raffle raised 340 dollars for the net. Lynda is K7RFO's daughter. Another 150 dollars in donations came in to cover the cost of two porta pots that were provided. We also owe a vote of thanks to Lynda Sterling WB7CNV from Richland Wa. and to AG7K, Dennis, for all the raffle tickets they sold. Ruth, K7RFO, once again donated 13 lovely blankets she made.

The blankets were raffled off and tickets for those blankets were free. Thank you Ruth.

It was decided at the business Meeting that there was a problem with early check ins. No early check-ins will be taken before 5 minutes to six pm. It is up to the net control to decide if he or she will take any early check ins.

W7SCY, Bob Weed, O.E.N. no. 35 attended the picnic this year. He was accompanied by his brother Roger, KL7HOT. Roger holds certificate no. 241. Bob holds the lowest O.E.N. number I know of. Bob first checked into the net on Feb. 18, 1952. This was the first day general class operators could use voice on 80 meters. . There is more information on Bob in the July-Aug. Netter. (ed)
