Thirty years of being solid! Wow! Can any one beat K7DDI? Way to go Dick!!

Dick Suber, K7DDI, from Klamath Falls has this certificate for checking in solid for 30 years. Dick reports that he had a radio at work in the Fire Department, where he worked. He had a rig at home, and one in his car. When he was back East on a vacation, Dick would contact Ruth, K7RFO, on twenty meters and she would relay him in. Does any one have a certificate for more that 30 years? We would sure like to put it in the NETTER. Dick celebrated his 95th birthday in August. Dick put in many years serving Amateur Radio, and was on the board of directors of the O.E.N. for many years. It is hard to find a Ham in Oregon that has not heard of Dick Suber, K7ddi. (ed)

Pictured to the right is Dick Suber, K7DDI. He was Caught having lunch with Del, n7ipg, Dennie, wa7ypr, and Fred, nd7v. Dick can be found at the Keno Grill On most any Friday at noon. (ed)

Please welcome KG7DQA "Big Dave", from Grants pass as our newest member. His O.E.N. number is 1414, issued 10/10/2017. 73 AG7K, Dennis, Net manager/secretary
