THANK YOU NET CONTROLS AND RELAYS

Especially GARY, AG7TH, who relayed 13 nets this month!

See our calendar on W7OEN.net to determine who was Net Control on any given day.

** Other Net Controls fill in Tuesdays; we need new net controls to cover this and other days, so please consider volunteering. You don't have to commit to a weekly slot. Alternates are welcome who fill in whenever they can. Every other week is also a possibility-- whatever you are comfortable with. Contact me at AI7JN@YAHOO.COM if you are interested and I'll forward you checkoff sheets and other info and information. It's not as hard as you may think, and you'll probably find that it's a lot of fun.*

We appreciate this month's other relays, WV1T, WA7FSH, W7DPS, KI7TRF, and WA7JAW, with frequent assistance from others

A special Thank You to Paul (KD7HB) who plays THE key role in determining changes and additions to the roster and who is always there to relay what the rest of us cannot hear. To keep it a manageable size, the roster is purged every 4 months of those who have not checked in during that period. Those who get deleted are always welcome to check in and be added back to the list.
