THANK YOU TO OUR NET CONTROLS AND RELAYS

**Welcome to Dan, AJ7FV, who has volunteered to be our regular Tuesday evening Net Control.**

**See our calendar on [W7OEN.NET](http://W7OEN.NET) to determine who was Net Control on any given day.**

*Please consider volunteering as a Net Control. You don't have to commit to a weekly slot. Alternates are welcome who fill in as they can. Every other week is also a possibility-- whatever you are comfortable with. Contact me at [RICHARDCHISM@GMAIL.COM](mailto:RICHARDCHISM@GMAIL.COM) if you are interested and I'll forward you checkoff sheets and other tools and information. It's not as hard as you may think, and you'll probably find that it's a lot of fun.*

**We appreciate this month's relays: WA7JAW, W7DPS, AI7JN, W7EV, KI7TRF and AG7TH. (There may be others I missed.)**

Assembled by Rick (AI7JN)
