OREGON EMERGENCY NET PREAMBLE

Revision 14 Extended Version March 2024

This is a directed Net, and this is _____.
 My LOCATION is _____ and my NAME is _____.

This Net meets daily at 6:00pm on or about 3,980 kHz. All amateur radio operators legally licensed to operate on the OEN frequency are invited to check in.

The OEN provides a consistent meeting time for use during an emergency, and at other times for passing messages, making contacts, and sharing member updates.

Please do not interrupt the regular roll call to check early or late, but instead wait for any one of the several breaks throughout the roll.

Are there any stations willing to help **Relay** tonight?

--	--	--

Are there any **Other Message or Contact** listings? RELAYS?

Are there any **Announcements**? RELAYS?

--	--	--

Are there any **Mobile** check-ins for the net? RELAYS?

At this time, I would like to thank my relays _____.

I also want to thank everyone who participated in the net this evening. Without you there would be no Oregon Emergency Net. See you all tomorrow evening! This concludes this evening's session of the Oregon Emergency Net.
