OREGON EMERGENCY NET PREAMBLE
Revision 12 Extended Version July 20, 2022

Good evening everyone, this is the Oregon Emergency Net, club call W7OEN.

Are there any **Emergency Traffic** listings for the net?
RELAYS?

--	--	--	--

The Oregon Emergency Net is a Public Service and Friendship Net with members in and out of the State of Oregon.

This is a directed Net, and this is _____.
My LOCATION is _____ and my NAME is _____.

- * This Net meets daily at 6:00pm on or about 3,980 kHz. All amateur radio operators legally licensed to operate on the OEN frequency are invited to check in.
- * The OEN provides a consistent meeting time for use during an emergency, and at other times for passing messages, making contacts, and sharing member updates.
- * Please do not interrupt the regular roll call to check early or late, but instead wait for any one of the several breaks throughout the roll.

Are there any stations willing to help **Relay** tonight?

--	--	--

Are there any **Other Message or Contact** listings?
RELAYS?

Are there any **Announcements**?
RELAYS?

--	--	--

Are there any **Mobile** check-ins for the net?
RELAYS?

Emergency Power check-ins by suffix:

A-F

G-M

N-T

U-Z

Late, Missed, Visitors, or Early Check-ins

Please use the following break points for late, missed, early check-ins and visitors (see yellow highlights):

- 1. After the Preamble
- 2. After Eugene
- 3. After Klamath Falls
- 4. After Portland
- 5. After Oregon
- 6. After Out of State

Please Call for late, missed, or visitors until at least 7 PM. If there are still check-ins coming in after that, please continue to call for more. There is a target, but not a requirement to finish the net by 7:15 PM.

The following is one way of closing the Net. It is your choice on how to do it. This is only a suggestion of one possible way to do it.

At this time, I would like to thank my relays_____.

I also want to thank everyone who participated in the net this evening. Without you there would be no Oregon Emergency Net. See you all tomorrow evening! This concludes this evening's session of the Oregon Emergency Net.

This is _____ returning the frequency to regular amateur use.
